11th Annual National Assembly of
Sportsmen's Caucuses
Sportsman Legislator Summit

WHY ATTEND

The 11th Annual National Assembly of Sportsmen's Caucuses (NASC) Sportsman-Legislator Summit is the most important event of the year for caucus members and partners to collaborate and devise year-long strategies to advance sportsmen's interests in state legislatures. This meeting serves as the ideal venue for focused discussion and interaction among state policy makers and the sportsmen's community. This year, we will be discussing a wide variety of topics, including: lead ammunition bans, a national strategy for hunting recruitment and retention, Magnuson Stevens Act reauthorization, and the National Fish Hatcheries System, to name a few. In addition to addressing these issues, attendees will discuss the wide range of challenges currently facing America's sportsmen and women, along with the strategies necessary to overcome those challenges to protect and advance America's outdoor heritage, traditions, and sportsmen-generated conservation dollars in the years to come.

LOCATION

This year's Sportsman-Legislator Summit will be held at Sunriver Resort, located just outside of Bend, Oregon. Located at the base of the Cascade Mountains, Sunriver's 3,300 acres wind along the eastern side of the Deschutes River. The resort is a 3.5 hour drive from the Portland International Airport, and a 45 minute drive from the Redmond Airport.
